EXPERIENCE

Senior UX Designer
Financial Apps (previously called PowerWallet) | Nov 2012 - Present

Conceptualized, designed and prototyped web all applications needs for the company involving creation of flow charts, wireframes, high-fidelity mockups and interactive prototypes. Worked closely with the engineering team while coding most of the HTML, all the styles (SCSS & LESS), and large part of the Javascript interactions related to the interaction into Ruby Rails MVC and React applications.

UX Designer
Ocean Media Systems | July 2011 - Oct 2011

Managed and coordinated the redesign of the company website from concept through completion. Developed a custom Content Management Systems using ASP.NET to allow update of the website content and access to useful data gathered through the site.

Multimedia Director/ Web Designer
Advantage Services.Net | Jan 2005 - July 2011

Managed and coordinated web design projects from concept through completion Collaborated with clients to create vision, conceive designs and consistently meet deadlines and requirements. Successfully translated subject matter into concrete design of websites, landing pages, promotional email and other multimedia and occasional print projects.
Collaborated with CMS programmers, helped with the database structure and its translation to XML and optimize UI for best usability experience.
EDUCATION

UNIVERSITY OF ECONOMICS, VARNA, BULGARIA
Bachelor degree in Marketing
